Filing this form does **NOT** guarantee acceptance. TorCon 3 reserves the right to determine those dealers admitted to the room; this will be a juried room and the jury will have final and binding say as to those dealers accepted. Please do not apply unless you accept this rule. Acceptance to the room is not based solely on date of application; those applications returned to me by 2002 October 31st will be placed into a pool and treated as having the same receipt date. Note that I **won't** accept applications in person at conventions - it's just too easy to misfile them. Make a copy of this completed form for your own records. If you have questions, please ask for clarification; if you wish a receipt, enclose an SASE or a prepaid postcard with this application [V1 R08 on 02 Dec 27 1930 LCS]
